Oh, deep from thy rugged walls.
'Tis a solemn spirit
Calls thy children true.
Proudly we sing thy praise
In these glad high school days.
Honor for honor due.
All hail to North Central High.

SCHOOL BOARD members for 1955-1956 include, top: Dr. James A. Patton, president. Left to right: Keith H. Campbell, M.R.S. Mary F. Wurth, James E. Winton and Dr. G. Burwell Mann.
There is no other book quite like an American high school or college yearbook. Every year it grows in value and interest. Ten, twenty, or fifty years from now you may pick up this TAMARACK and read it with heightened interest and curiosity.

Writing a "message" for it, then, to last for 50 years, is almost presumptuous. But your editors have given the assignment, and I'm glad to try.

Here's the message: "Make your life count for something. Don't get discouraged."

Life is a long pull. You've gone through some of its grandest, most carefree years. Now responsibilities will increase, and pleasures will be fewer. Like the old Greek mariners you will need to steer your life craft around twin rocks: (1) lack of a life purpose and (2) discouragement.

From an earlier American age comes the story of the devil's bargain sale. Short of money and ever eager to spread evil throughout the world, the devil decided to sell some of the tools which increase iniquity and unhappiness. So he laid out such favorite tools as hate, fear, self-pity, deceit, ingratitude and disloyalty. Each was labeled with the devil's price.

A prospective customer, examining the labels and prices, found one odd-shaped tool with no descriptive label but with a price far above the rest. So he asked what the tool was for and why the price was so high. The devil answered that this was the wedge of discouragement, his most effective tool.

Once the wedge of discouragement enters a human mind, the victim begins to destroy himself. He resents life's pressures, monotony, and exacting responsibilities. He begins to feel that he is making little headway because he is working on "the same old stuff" day after day and year after year. He becomes irritable and scratchy, ready to fight back at a real or fancied slight.

He has lost his sense of direction. He has lost the sense of his own importance as an individual.

Yet nothing is so important to our kind of country AS the individual. Do you remember that your history teacher taught you such historical facts as these?

Jefferson was elected President by one electoral vote.

Hayes was elected President by one vote. This election contested, he was named by the electoral commission, again by one vote.

Just one vote gave statehood to Washington, Oregon, Idaho, Texas and California. All the millions living in these states are Americans by just one vote.

North Central properly has great confidence in its graduates. YOU matter to America. Be sure that you matter to yourself, with each thought, word and act. Don't settle for mediocrity. BE SOMEBODY.

J. M. Tewinkel
The teacher builds for the future. Young minds
are his to shape, to enlighten and to inspire.
A teacher guides the nation's destiny as surely
as does any statesman, for the pupil of today

Homerooms at Christmas

Janine Gratton adds the final touch to her choir boys—winners of the comic division—Mr. Davis’ homeroom.

Charlene Slosser’s Christmas angel won first place in the serious division of this year’s door-decorating contest for Miss McKee’s homeroom.
Activities
Fall Associated Student Body

The Associated Student Body governs the school through a House of Representatives and a Senate. The House is made up of representatives from each homeroom; the Senate, of the presidents of the Federation and the League, plus two seniors, two juniors, two sophomores and two freshmen.

Five standing committees—dance, honors board, convocation scheduling, election and faculty-finance—are appointed by the president to plan school affairs.

The Get Acquainted Mixer the Sadie Hawkins Dance, numerous convocations and various contests were among the year's activities. One of the most beneficial projects was the planning and carrying out of an intensified campaign to clean up the

school grounds. Another was cleaning the auditorium curtain.

Christmas spirit was not lacking during the Yuletide season. A beautifully decorated tree appeared in the lower hall. Homeroom doors were decorated and prizes were awarded for the best displays. A convocation brought back the real meaning of Christmas. Needy families were not forgotten.

Fancy socks galore were the main attractions at the Sock Hop in February. Prizes were given to the couples with the fanciest footwear.

The basketball banquet, as is traditional, was sponsored by the Associated Student Body.
Fall Girls’ League

Honor, service and loyalty are the high ideals of the girls of North Central, all members of the Girls’ League which was organized in 1918 by Miss Jessie Gibson.

The ruling body of the League, the Central Council, is composed of homeroom representatives and the elected officers. This group directs the activities of the semester. Pins are awarded to girls for service to the school on a point system.

New coat racks to be used at school functions were provided by the fall council. The League sponsored a football convocation, the Sleigh Bell Ball, a winter

mixer, the Dad-Daughter Banquet, and the PTA membership drive. A party for girls new to North Central was held before school opened to introduce them to their Big Sisters and to acquaint them with the school. An annual award is presented to the girl who is voted the best Big Sister.

The spring semester brought the Simplicity Style Show, the Mothers' Tea, vocational conferences sponsored jointly with the Boys' Federation, and the annual Cotton Day and evening mixer, April 3. Janice Perry is president.

Faculty adviser is Miss Patricia Damon.
Since 1918, the Boys' Federation, advised by Lowell C. Bradford, has strived to serve not only the boys but the entire school. They have sponsored convocations, presented awards and promoted other activities which would be a means to that end.

Presented each year to the football player who is thought by his teammates to have been the greatest inspiration is the Archie Buckley Inspirational Award. This year it went to June Hanford.

The Federation has contributed to the debate program by sponsoring a tourna-

ment for all beginning debaters. A plaque is provided on which the names of each year’s winners are engraved.

Boys who are new to North Central are given an opportunity to become acquainted at the New Boys’ Stag Party early in the fall.
"It’s deadline!" Famous last words heard in the newsroom each day, for each day the deadline must be met in order to get The News to press on time.

Make-up, editing, writing, copyreading and proofreading for the publication—all are duties of the student staff.

News staff writers who do outstanding work are eligible for Quill and Scroll, an honorary society for high school journal-

ists. Each semester, four members of the staff who have done exceptional work are appointed to Junior Press Club, which is sponsored by the Spokane Press Club. The adviser each year is someone connected with the city newspapers, the radio or the television stations.

The News is printed in the print shop of the Technical-Vocational School, under the direction of Don Townsend.
"Once upon a time there was a staff!" The Tamarack staff that is!
During the first few weeks of the fall semester, the staff met daily to prepare plans for the 1956 Tamarack. Pictures were foremost in their minds, as shots of fall and spring activities and convocations were collected. Next came the sales campaign, in which a record number of 1909 subscriptions were sold. Senior pictures were collected from the photographers and mounted on panels. Preparing senior activities copy was another big job.
Copy was written and sent to the print shop. When the proofs were returned, they were corrected and then pasted in
the “dummies,” one for the print shop and another for the staff.

Four groups—art, photography, printing and publications—made up the staff. Printing was done at the Technical-Vocational School under the direction of Don Townsend, head of the print shop. George Smith advised on photography. Mervin Manuel in art. Mary McKenna is general adviser of the staff.

Advisers, editors and staff have endeavored to present through the 1956 Tamarack a panorama of activity-filled days at North Central. Satisfied that they have put forth their best efforts, they “will live happily ever after.”

1956 Tamarack Staff
Debate

Top honors in the Northeast District Debate League were brought to North Central this year by five varsity debaters—Kirsten Johnson, Diane Wilson, Vicki Pruitt, Duff McKee and Bob Dickey.

Copping first place in the tournament held at Pacific Lutheran College in February were Marilyn Lanphere and Marilyn Schumacher.

Boys’ and Girls’ State

Two boys and one girl from outstanding members of the junior class were chosen as delegates to Boys’ and Girls’ State by a committee from the American Legion. By fulfilling different duties necessary to the operation of our government, the students are given a valuable lesson in citizenship. Boys’ State was held the first part of July; and Girls’ State the latter part.
"Order in the court!”—student court, that is. Dick Batdorf was judge during the fall semester and offenders were brought before him every Wednesday. Each case was heard separately and the penalty varied with the severity of the “crime.” Most offenders were sentenced to two of more nights after school.

The most common offense was loitering in the halls. Others which occurred frequently included smoking on the school grounds, lunchroom offenses and disobeying hall guards.

A defense attorney was on hand for offenders who pleaded not guilty. Spring judge was Frank Vawter.
Spanish Club

Any senor or senorita who is studying Spanish and has at least a C grade average is eligible for membership in Spanish Club. Each month the club has one business meeting and one social event in a Spanish atmosphere. Their annual dinner features foods of Mexico and Spain.

Latin Club

"Senatus Populus que Romanus"—Though this title probably sounds like jargon to some, members of the Latin Club know that this official name for their club means the Senate and the Roman people. Latin Club has one of the largest memberships of any school organization.
Latin Club

Meetings are held once a month. The club also carries on activities with other clubs such as their Christmas caroling party with Spanish Club. The members, who are all Latin students, provide for a needy family at Christmas time each year and sponsor various other charitable activities.

Amores Librorum

“Amores Librorum,” Lovers of Books, was founded 18 years ago by former head librarian Mary P. Bacon. The members, all honor-roll students, are given an opportunity to hear foreign students at many of their monthly meetings. Miss Madeline Carroll, head librarian, is present adviser.
Vox Puellarum

Vox Puellarum (Voice of the Girls), organized in 1913 as a girls' debating club, is a social and philanthropic group which gives an award annually to the senior girl who, under the greatest handicaps, has accomplished the most in high school.

Commercial Club

The key to success, according to the girls in the Commercial Club, is found on the keyboard of a typewriter. Although the club was organized to stimulate a creative interest in commercial courses, the group also enjoys various social activities.
Quill and Scroll

Tamarack and News staff members who have done outstanding work in journalism are eligible for Quill and Scroll, an international society for high school journalists. The aim of the organization is to raise the standards in the writing field and to direct the course of high school journalism.

Thespians

Actors and actresses of North Central are organized into Troupe 128 of the National Thespian Society. In order to become a member, one must earn 15 points by either acting in school plays or helping behind the scenes. The club presented a take-off on the popular quiz show "$64,000 Question" as a football convocation.
Art Club

Here's paint in your eye!
Art Club encourages artistic ability through the Painting of the Year Contest, which is paid for by the annual Eye Opener Mixer. A member must have a B average in all subjects and plan to major or minor in art.

Talent Club

On call at all times to entertain at service clubs, members of Tau Chi, talent club, are given experience in show business through participation in approximately 50 shows a year. The club's main project for 1955-56 was the purchasing of a large frame for pictures of ASB presidents.
Math Club

Three semesters of at least B grades in mathematics and no grades below C in any subject are required for membership in Math Club. Each year the club conducts a math contest which is open to all students. At Christmas time this year, the club held a caroling party at an old-folks’ home.

Aquettes

The Aquettes, the girls' swimming club organized in 1952, are skilled and interested in synchronized and competitive swimming. The little mermaids presented a Christmas show for their parents and their annual water show in May. Yearly tryouts are held for the girls.
Warriors

Hard, fair play is the aim of the members of Warriors, the letterman’s club. All players participating in any sport who have earned a varsity letter are eligible for membership. Annually the organization holds the football awards banquet. Other projects this year included a mixer and a convocation. William Diedrick is the adviser.

Three C’s

“For where two or three are gathered together in my name there am I in the midst of them.” Matthew 18:20.

These words of Jesus could surely apply to the Three C’s club, standing for cleaner speech, cleaner character and cleaner conduct. An entertaining, inspirational meeting is held every Friday morning.
FNA

To help girls who are interested in a nursing career have a better understanding of the profession is the object of the Future Nurses Club. Their current project is rolling bandages to be sent with medical supplies to a native hospital in Africa. A tour was also made of Edgecliff Sanatorium.

FTA

To acquaint members with the teaching profession, the Future Teachers of America Club was organized in 1953. Their training is carried on through a point system. When a person has earned 100 points by assuming the duties of a teacher, she is awarded a certificate.

"Really, Hartzell, dancing is quite simple," Sharon Lund tells Tom Paddock. Carol Briscoe and Don Oglesby are interested spectators.

"One Foot in Heaven"

"One Foot in Heaven," the fall play, concerns a minister, the Reverend William H. Spence, portrayed by Duff McKee, his family and their problems in establishing a new parish.

Reverend Spence is shocked to find his parish in shambles; the choir is dominated by the rich; there is bickering among the people and poor management of the church in general. In spite of opposition, which heightens the interest, he reforms his congregation.
Janet Schuster, Rosemarie Head, Lynette Freel and Rosemary Sleizer are being told by their minister, Duff McKee, that he has brought them together because he knew there would be a capital scrap.

Duff McKee tells Judi Seymour, Dorene Hagen and Caryl Briscoe that he is glad to see so many faces on his church welcoming committee, as Larry Kingen sneaks a peek around the corner to see what's going on.
With the opening strains of "Wish Upon a Star," the curtains opened on the 13th biennial "Doll Shop," a sparkling performance that played to capacity crowds, three evenings and a matinee, March 20, 21, 22 and 23.

Caricatures of faculty members accentuated the setting, done in pink, brown and green. A huge tepee was the center of attraction as the performers made their appearances through its decorated portals.

Excitement ran high when thieves hid stolen jewels in the shop. Tinkerbell, the invisible fairy of "Peter Pan," with the help of the mischievous Jack and Jill in the

Adding to the uproar were the fun-loving penguins, who strutted about, mimicking and jostling the other dolls.

C. Olin Rice, former head of the Music Department, wrote "Can-Can Cuties" for this year's musicale—adding to his many other "Doll Shop" hits.

The success of the "Shop" this year is an example of what co-operative effort can do. Miss Pinkham, who directed the show, was assisted by Mrs. Oppen and Mr. Bradford in dramatics and music respectively.

"And the band played on . . ." in 137 new uniforms purchased this year with money raised largely by their own efforts, plus assistance from the Parent-Teacher Association, the Boys' Federation and the Doll Shop. The uniforms made it possible to present the 152-piece marching unit, the largest in the northwest, in November.

Football season opened with the Merry-Go-Round game with the band and the Red Feathers presenting the pageant, "Salute to the Armed Forces." At the Shrine game, they presented "The Ballad of Davy Crockett." Among other half-time stunts were "How High the Moon" and the football princess ceremony.

A convocation in January featured all the bands. Concert band represented Spokane high schools at the Washington State Music Educators' Association Convention at the Davenport Hotel in March. The wind and percussion sections of the Doll Shop orchestra were selected from the band.

The 56th semiannual formal band concert was presented in April. In May came the full band's 30th annual trip to Wenatchee to participate in the Washington State Apple Blossom Festival. Host band for the Spokane Lilac Festival, they presented with the Red Feathers and the Color Girls, a South American pageant.

The Choir, made up of 65 voices, sang several concerts. A television appearance was one of the year's high lights. Their annual banquet was held in April.

Three Fives, consisting of 15 girl vocalists, was organized originally in 1951 at Havermale by John Harris. Fourteen of the original group were graduated last June. Tryouts were held last spring for new members.

Groups entertained by the Three Fives this year included the Rotary Club, the Chamber of Commerce, the State Music Educators Convention and the Daughters of the American Revolution Convention. Three Fives also participated in the Christmas Convocation, Doll Shop and appeared on television.

The Winter Music Festival welcomed the Christmas season as the Choir, Three Fives, Boys' and Girls' Glee and Orchestra combined efforts to present a yuletide musical program. The Spring Music Festival was held in April.

The Three Fives and the Choir participated in Spokane's 11th Greater Spokane Music Festival in May.

Sports
Football

Lying for second place with John Rogers in the city league and coming in third behind Lewis and Clark and Walla Walla in the Columbia Basin League, the 1955 North Central gridsters were second to none in the league in team statistics—offense and defense.

The annual Vic Dessert Merry-Go-Round classic found the Indians in third place. They lost to Rogers in the first period by yardage, but tromped L.C. 12-0, in the third quarter.

Starting off with a bang, the Warriors, under new head Coach Dave Holmes, trounced favored Gonzaga 27-7 in their opening league tilt. Apparently still feeling the heavy losses handed them by the Bulldogs last year, the Braves ground out a touchdown every quarter for a surprisingly easy victory.

The win record was soon blemished, however, as the John Rogers Pirates stabbed it 7-0, for the first and only no-score game of the season for the Indians. The Bucs held tight on defense throughout the game, and in the third quarter a partially blocked punt was picked up by Rich Rust who hustled 17 yards to make the only TD of the game.

Lewis and Clark dealt a full house and came up with a 13-7 win over the Red and Black to set the record at 1-2 in the third league meet. Chuck Wilkes scampered 54 yards in the first quarter for the first TD, but LC copped two in the second to push ahead. Neither team was able to score in the second half.
Walla Walla's Blue Devils met the Braves on the Wahi battlefield and ground up a 27-19 victory.

The second half of the season opened with the Red and Black smashing the Gonzaga Bulldogs 36-7 in the first North Central Shrine game victory since 1942. The Indians rolled up two touchdowns in the first quarter, two more in the second, another in the third and wound up the ball game with a field goal by Laurie Ness with only two seconds left in the game and nine North Central players on the field.

Trailing in the third quarter 6-0, Ken White, after crashing into the line for three plays, faked a spin and handed off to Wilkes, who passed to June Hanford behind the Bucs' secondary for a TD. Ness' conversion was good and the Rogers Pirates fell to a 7-6 defeat.

The season ended with Yakima trouncing the Warriors 24-6 at the Memorial Stadium. A week later Lewis and Clark downed them 20-2 in the final game. The only Indian score in that game was a safety in the fourth quarter when end Mike McVay caught Jones in their end zone for 2 points.

City newspapers found Ken White, Mike Edmonds, Lyle Liptac and Ralph Burlock worthy of first-team all-city honors; and Ned Olsen, June Hanford and Chuck Wilkes of second-team honors.

At the close of the season, top awards went to; June Hanford, Buckley Inspirational; Ned Olsen and junior Ray Mason, blocking; Ralph Burlock and Jim Porter, tackling, and Mike Edmonds, lineman of the year. Ned Olsen and June Hanford were cocaptains.
North Central End Mike McVay lays a block on four Lewis and Clark players, trapping LC’s Willie Jones behind the line for a safety in the last game of the season. Ralph Burlock (10) rushes in to help.

Chuck Wilkes is helped through Tiger line by an unidentified NC player as Ken White (39) begins to open way out front. LC won 20-2.

Lewis and Clark smashed the hopes not only of the varsity but of Coach Bill Nye’s B squad this year as the Indians wound up the season in second place with two loss checks on their record—both from the South Siders.

The jayvees “played up to their abilities” in achieving a 6-2 win-loss record, but fought hard for a better one.

Laurin Lee and Dennis Spurlock traded off as blocking backs and Chris Shears, Don Lobdell, Ray Jacobs, Ivan Payne, Bill Bradford and Don Magstad changed off in the rest of the backfield.

Gary Barton, Bruce Reed, Clive Goodman, Gary Koeppe, Don McBride and Ernie Nye opened holes in the opposers’ line with Russell Foster snapping the ball.

Don Lobdell was voted the Doug Cramer Inspiration Award by his fellow teammates.
Freshman Football

Losing to the John Rogers eleven 19-0 in their final game of the season cost this year’s freshman football team the championship. But the season was also one of conquest as the Little Braves handed the South Side Kittens their first defeat in five years.

That the combination of Dick Rockstead, Jeff Kyle, Larry Summers and Mick Carney was one of the best group backfields he had ever coached and that the morale and cooperation of the whole team in general, throughout the season, was high, was expressed by Ed Kretz, freshman coach.

Brent Gates, Bill Stone, Dick Shears, Bill Bailey, Dave Roark, Dick Stannard and John Evanson made up the starting line.
Basketball

Winding up the season in the league cellar after eight straight losses before a final two wins is not a very handsome record for the 1956 hoopsters. However, in the first of the two wins, the Braves walked off with five records.

The 89 points in the 89-54 defeat handed Central Valley was an all-time city high for prep basketball. The total of 154 points in one game was another record. Chuck Wilkes' 32 points breaking Bob Biel's 31 from a week before was a prep single-game high in the Coliseum and was third highest in all-time city prep basketball. Bob Biel hit 10 straight free throws. These added to 9 the week before set another record for free throws—19. Finally, a margin of 35 points in that game was a season high.

Lewis and Clark, carrying the entire first game, trounced the Braves 59-41 and West Valley won by 18 points again the second week. The Indians cut the margin in half the third week when they met Gonzaga. but the Bullpups came up on the long end of the 68-59 score. Central Valley then took the Braves the next week, and Rogers downed the Red and Black in the final seconds of the fifth game, winding up the first half of the season with a 60-58 victory.

Lewis and Clark, West Valley and Gonzaga came back in the second half in that order to whip the North Siders. but Central Valley was massacred by the Savages in the eighth game. Rogers then fell victim to a 65-63 final game score when Frank Barnes sank a last second shot in double overtime.

All eyes are up as Indian and Eagle hoopsters meet at the Coliseum. North Central hoopsters are, left to right, Ernie Smith, Jim Bickerstaff and Bob Biel.
B-Squad Basketball

Under the helpful guidance of Coach Kenneth “Nip” Hagen, this year’s B hoopers ended a season that saw them tie Gonzaga for second place in city league play. “Our record is not too bad,” related Coach Hagen. “We won 11 out of 20 games during the season, and 5 out of 10 in league play.”

One of the strangest occurrences in the world of sports hit the Jayvees, as four of their five losses were suffered at home, where most teams emerge victorious. The Braves’ lone loss “on the road” was to Lewis and Clark, a team that defeated the Red and Black twice. In other action, the Bees decisioned West Valley in two and split with Central Valley. Gonzaga and Rogers.

Potentially, Coach Hagen developed a squad that should provide good varsity material in the near future.
Freshman Basketball

"This year’s freshman basketball team was as hard a working ball club as I have ever had," commented freshman mentor Lowry Bennett.

Although the season did not prove fruitful with wins, Coach Bennett feels his Papooses had a successful season in the way of knowledge gained. In the city league this year, in which the freshman cagers placed fourth, were Gonzaga, Lewis and Clark, Rogers and West Valley.

Believing that the main idea in freshman sports is to allow as many boys as possible to participate, Coach Bennett used every team member in a game at one time or another. Seeing the entire squad in action, "I feel there was more varsity material on this year’s team than I have seen in my three years at North Central."

One thing about this year’s hoopsters, they were a fighting club all the way.

Track

Prospects for the 1956 North Central track team looked good at Tamarack press time: and opportunity for placing among the top squads in the city was promising.

"We have a good chance for at least a second place finish," was the opinion expressed by Coach Al Danielson, "but we'll be out there fighting for the top spot. We have 13 returning lettermen this season and are strong in the middle-distance events."

Returning lettermen include Bob Adams and June Hanford in the 440; Bob Doyle, John McNee and Ron Turner, half miilers; Bill Overholser and Mel Waldman, hurdlers and Ken Burger, Ron Barber, Don Gordon and Harold Thorsen, sprinters. Lettermen Dick Throm and Ken White rank among the top contenders in the city for pole vault and shot-put respectively.
Other spring prospects are Dick Baker and Garry Burrus, pushing for the mile and Doug Hohenstein. George Nickotch and Ernie McLeish in the 880. Gary Shinkosky also looked promising in the hurdles as did Barry Roff in the 440.

“Our weakest events will be the high jump, the broad jump and the sprints,” commented Danielson. “In these events the other schools are strong. This cuts down still further the chances for our boys.”

Freshman, B-Squad Track

Freshman and B-Squad trackmen have worked out period 6 and after school with the varsity every day under the supervision of Coach Al Danielson and his assistant Burrill Exley in preparation for their meets.

The B Squadders planned on running in all of the varsity meets plus extra meets of their own.

"These freshmen have the best potential of any North Central frosh team in the last eight years," said Mr. Danielson.
Guided by head track mentor Al Danielson, this year's harriers finished second to Lewis and Clark in the varsity and B leagues, and took first in the freshman division.

Running against squads in the Inland Empire Amateur Athletic Union meet at Downriver Golf Course and the WSC frosh gave the Red and Black needed experience and well-earned knowledge.

Paced by top distance man George Dupree, Indian hill-and-dalers took second place in the All-City meet, and turned in some good performances in other competition.

Lettermen Doug Hohenstein, George Nikotich and George Dupree will be missed by next year's team; however, Dick Baker, Gary Burrus, Bobby Thomas and Ron Turner have received their letters and will be on hand next season.

Cross-Country
Future varsity baseball clubs have a prosperous outlook, as freshman and B teams, coached by Bill Diedrick and Bill Whitaker respectively, produced many good prospects this season.

This year's freshmen, bigger in size than in the past years, played their home games at Garry Park.

B horschiders, who filled a heavy schedule, were bolstered by last year's freshmen and a group from Havermale Junior High.
Frank Barnes attempts a bunt as Chuck Wilkes steals home in preseason intersquad game. Laurie Ness flips his mask in an attempt to tag Wilkes. Taking it all in are Mike Tyce and Ralph Burlock.

BASEBALL COACHES — Left to right: Bill Diedrick, freshman; Bill Whitaker, B squad and Al Manfred, varsity
With eight returning lettermen and a first squad transfer to form the nucleus of his club, Coach Al Manfred looks for a prosperous baseball season.

Mike McVay and Ernie Smith, both letter winners, are vying for the first base slot. McVay, a senior, is counted on to do relief hurling; while Smith, a junior, was brought up from the B squad midway through the season last year to assist at this infield position.

Mike Tye, senior letterman, is playing at second and short and is being used as a utility pitcher. A transfer from Lewis and Clark, Frank Barnes, holds down the third base position although he is being heavily pushed by Jim Zumoto, a junior from the B team.

In the outer gardens, seniors Chuck Wilkes and Ralph Burlock hold down two of the positions. Lanny Anderson, junior, patrols the other area, just as he did after being brought up from the B team last year.

Taking over his customary backstop position is senior award winner Laurie Ness, with junior Mike Ryczynski also seeing action here.
Manfred's mound staff consists of senior letterman Bob Biel, juniors Stan Woodhurst and Ken Zink, and promising sophomore Laurin Lee.

Starting practices in late March, in order to be prepared for city league play which began against West Valley on April 24, varsity horse-hiders saw action in a double-header against Lewiston on the Bengals' home grounds. WSC's frosh and Cheney high provided other opposition met by the Indians.

West Valley and Central Valley, who entered city league this year, joined Lewis and Clark, Rogers and Gonzaga as league rivals for the Red and Black diamondmen.
Third baseman Frank Barnes scoops up a grounder in intersquad tilt.

All eyes seem to be on Coach Manfred as he goes over fundamentals with his team.

Golf

Varsity linksmen opened their season with an intrasquad ladder tournament, designed to select the top players for league play, which opened April 9 against Lewis and Clark at Downriver and ended with a meeting with Gonzaga on the same course, May 21.

Entering the Inland Empire High School Golf Tournament on May 14 and the boys' and girls' mixed two-ball tournament May 7, provided added competition for Coach Don Bonamy's golfers, who also met Lewis and Clark, Gonzaga and Rogers in league action.

Bolstered by only three returning lettermen divot-diggers—Pat Kennedy, Gary Mehlert and Mike Hammond—Coach Bonamy had his job cut out for him.

"Golf is not like basketball or baseball," said Coach Bonamy. "Each man has his seasons; it is the individual's game."
Warrior netters opened their season against Central Valley on April 19 and finished on May 24 battling against West Valley's Eagles.

Around his six returning lettermen—Ed Holm, Marshall Reynolds, Jerry Strand, Dick Selby, Jim Price and Gary Tewinkel—Coach Ernest Hix molded this year's Red and Black hard-courters. Les Rider and Larry Sleizer were the only two lost from last season's runner-up contingent. Holm, Strand and Selby are seniors and will not be on hand next fall.

Rogers, Gonzaga, Lewis and Clark, West Valley and Central Valley, along with the league's newest entrant, Mead, composed the city league opposition for the Indians. Coach Hix entered his teams also in the Inland Empire Tennis Championships and the Freshman Tournament.

Tennis

Eleven hundred girls were enrolled in physical education each semester this year under the direction of Miss Elsa Pinkham, head of the department, and Miss Eleanor Dixon, her assistant.

The 13th biennial Doll Shop presented in March was the big undertaking of the department. Rehearsals for the show began in early January with both girls and boys—315 of them—preparing and practicing their respective numbers.

Red Feathers and the song and yell leaders are under the supervision of Miss Pinkham. The Color Girls have Miss Dixon as their adviser.

Each girl may earn her all-activity points by turning out for sports. She may also earn points by attending the varsity games, by assisting charitable organizations in their flower sales and by marching in the various civic parades.

When a girl has earned 500 points, she is awarded the all-activity shield. For 1000 points a black star is added; 1500 points, another black star, and 2000 points, a gold star.

Extracurricular activities, which are coached by Miss Dixon, are volleyball, basketball, softball, badminton and horseback riding.

Tennis

A single round robin played with each of the four other senior high schools—Lewis and Clark, Rogers, West Valley and Central Valley—was the high light of the past year for the girls' tennis team coached by Miss Elsa Pinkham, head of the Girls' Physical Education Department.

The racketeers practiced every Monday and Wednesday during period 6 and after school and on Saturday mornings. Scores of practice sets were kept and players ranked accordingly.

Fall semester cocaptains were Karolyn Unger and Claudia Miner. Karol Woodbury and Karen Kastberg were managers. Carol Jean Ellis was Papoose manager. Co-captains for the spring semester were Dorothy Beaty and Karen Brown.
Golf

Twenty-six girls, coached by Miss Wilhelmine Timm, played golf period 6 each Tuesday beginning in January, at the Highbridge recreation auditorium, where they received instruction from pro Neil Christian. Then when the course at Downriver opened in April, lessons were continued there, and the girls started competitive golf. This spring they entered in a two-ball foursome with the Lewis and Clark boys' team.

Karen Pickett has been manager for the group and Roberta Michlitch, captain.
Basketball

Eleven teams participated in the girls' basketball tournament in December. Miss Dixon was in charge of the single round robin and Miss Timm and Miss Knight assisted her.

Basketball managers were Marilyn Lanphere, Cecelia Reuss, Kay Minnick, Marilyn Robbins, Carol Jean Ellis and Janice Perry. Teams taking part were: Sassy Seniors, Sixteen Tons, Ball Slingers, Bouncing Beauties, Whippersnappers, Slippery Sophomores, Crew Cuts, Dangerous Dames, NC Trotters, Dizzy Dames and Red Hot Frosh.

Fundamentals of basketball were taught in two sessions November 8 and 10. Classes also were conducted for referees, timekeepers and managers November 1 and 3. Officials were Beverly Aronson, Dotty Breeden, Mary Breeden, Tarrell Hunt, Thelma Jaques, Sharon Kinder, Claudia Miner, Thelma Tollefsen and Barbara Walker.
Volleyball

Volleyball play opened in January with more than 160 girls turning out. Tourna-
ments were held after school each Tues-
day and Thursday.

The girls were divided into six teams, each playing five games. Team six was
champion with five wins and no defeats.

Managers of the volleyball games were Claudia Miner, Cecelia Reuss, Arlene
West, Judy Plein, Darlene Schmidt and Janice Mast.

Fundamentals of volleyball are taught in regular gym classes to prepare the girls
for their school teamwork.

Swimming

Perfecting numerous strokes and taking Red Cross swim tests were among the activities of the girls' after-school swim group.

From 50 to 60 girls turned out each Monday, advanced swimmers and beginners alike. The pool was open to them from 3 to 4 p.m. Gym make-ups and all-activity points were given to those who participated regularly. During the year more than 150 girls took part.

Cochairmen of the swimmers were Marie Glenn and Sharon Pardun. They took roll and helped award all-activity points.
Badminton

Barbara Walker and Karen Brown shared the victory of the junior-senior doubles badminton tournament in February. To earn this they won two out of three games against the finalists. Forty-eight girls played Tuesday and Thursday after school in the old gym, eliminating until the winners only were left.

These games were followed in March and early April by a freshman-sophomore doubles and a limited singles elimination.

Instructor Miss Dixon was assisted by managers, Janice Botts and Judy Plein. Jean Miner, Joan Young and Willean Pledger refereed the games.

November through March, every Wednesday at 2 p.m., the skating class leaves for the Ice Arena. Forty-three boys and girls participated this year.

Qualifications necessary to join the skating class are two: Owning a pair of ice skates and having period 6 free. The skaters learn spirals, inside Mohawks, three turn, figure eight, pivots and Dutch waltz.

Girls earn points and gym make-ups for regular attendance and tests. Miss Elsa Pinkham and Miss Wilhelmine Timm are in charge of the group. Diana Sheridan, Gloria Schlenker and Earlene Qualls were managers this season. Transportation was by Indian Wagon.

Horseback

This year, boys joined the girls who went horseback riding after school each Monday and Wednesday at the Seven Mile Riding Stables.

Adviser for the group is Miss Dixon. She drives the group to the stables in the Indian Wagon. Learning basic fundamentals and proper equestrian etiquette came with the riding sessions. Fee charged was $1.25 a ride or five rides for $5.25. All-Activity points were awarded for each ride. Co-chairmen of the group were Dee Shaw and Jackie Humes.

The year was climaxed by a two-hour ride followed by a picnic at the Bowl and Pitcher.
“Take me out to the ball game . . .”

Six teams of girl softball players met every morning before school in April to play a single round robin of ball, or five games. The girls met on Kennedy field at 7:30 a.m. and played until 8:15 a.m. Miss Dixon, coach, kept three diamonds busy at once with the help of Dotty and Mary Breeden, managers for the season.

The annual intramural track meet, May 21, included girls’ relay races, 50 and 75-yard dashes, shot-put, broad and high jumps, 220 and 370-yard dashes and baseball and basketball throws for distance.

Girls’ Physical Education Monitors

This year’s locker, towel and restroom monitors have been: Margie Laue, Elaine Dahl, Verna Lanson, Claudia LaPoint, Janna Merica, Marilyn Mingo, Lois Worthington, Deanna Oveson, Sharlene Cozzetti, Barb Weishaar, Charlene Ogle, Elaine Scott, Joan Young, Mary Reed, Elizabeth Vaughn, Joan Heintz, Shirley White, Joy Ann Hamilton, Linda Green, Animarie Andrews, Jeanne Gilbert, Roberta Mitchlitch, Carol Lohoefer, Lorraine Badt, Sandra Stowers, Pat Beam, Barbara Swanson, Beverly Casselman, Carrell Peterson, Thelma Jacque, Suzie Frank, Billie Vannahburgh, Janet Schuster, Judy Nicholson, Joan Ewell, Kathy Corrin, Lena Slinkard, Barbara Brown, Carol Jean Ellis, Marcia Whiteside, Diane Smith, Frances Ellsworth, Janice Sipe, Carol Urbach, Diane Willstruck, Sharon Hutchinson, Diane Hill, Mildred Mueller, Claudia Bunge, Barbara Bacon, Barbara Trouer, Janice Mast, LaVella Keebler, and Charlene Brockel.

The locker, towel and restroom monitors have kept themselves occupied this year by keeping a close watch to see that only girls who are taking P. E. are in the gym locker rooms and checking and giving out towels.

Office monitors are kept busy taking roll, acting as receptionist in the absence of Miss Pinkham, Miss Dixon, or Mrs. McNew.
